SUBJECT : Travel Voucher for [redacted] for Travel
Between 13 September 1954 and 11 December 1954

1. The attached travel voucher concerns the following two items:

3. Attention is called to the fact that the claimant's previous voucher for per diem was reduced by \$72.00 during 8 days duty at Headquarters, even though his quarters costs and subsistence expenses continued at [redacted]

4. The Deputy General Counsel, [redacted] has expressed the opinion that this method of handling quarters costs appears proper under the circumstances described to him, and barring some technical obstacle not known to him, appears to be in accordance with Government travel regulations.
